

PATH TO RESUMING IN-PERSON WORSHIP – SURVEY

1. Would you return to worship in the SELC sanctuary given the following protocols are in place? **YES -or- NO**
- a. All present wear unvented face masks while in the building (unless age 2 or under or precluded because of respiratory or other health issues)
 - b. All keep distance of 6’ between households or single individuals, thus limiting number present to about 40 people.
 - c. No congregational singing (along with instrumental music, a soloist would offer songs from behind a protective shield).
 - d. Communion shared by use of individual sealed cups and wafers at your seat.
 - e. Temperatures taken upon entrance.
 - f. Offerings placed into stationary receptacle in the narthex.
 - g. Hand sanitizer used upon entry into sanctuary.
 - h. Air circulated with windows open when feasible.
 - i. No nursery provided for childcare; narthex area available if needed for parents with children.
 - j. Sign in at door for attendance record and for the possibility of tracking potential exposure.
 - k. Dependent upon continued trend in COVID-19 cases.
2. Would you accept the need to make a “reservation” for Sunday worship, by calling or e-mailing the church office by the previous Thursday 4:00 pm, in order to ensure that the number of worshipers allowed is not exceeded? (Services may be added to accommodate any potential increase in numbers). **YES -or- NO**
3. How many in your household do you expect would normally be present with you at worship? # _____
4. What worship style do you prefer? ____ More Traditional -or- ____ More Contemporary?
5. Are you willing to go to either one (more traditional service or more contemporary service) if we alternate them by Sundays? **YES -or- NO**
6. If we stay with one service for a while, does 10:00 am work for you? **YES -or- NO**

Optional Comments: _____

Name (requested but not required) _____
